THANK YOU!

Dear Ministry Partners,

It is a joy to speak to those who have been called and gifted to lead Women Ministries! We appreciate your vision and the ministries you coordinate for women.

Your denominational leaders of Women Ministries are passionate about the vision of connecting women in transformational relationships and uniting them in Christ to impact our world! Since 1916, these core values have remained consistent. We invite your partnership to continue resourcing and training local leaders and to provide inspirational materials and events for women of our churches. Your partnership also strengthens our potential for uniting women of the Covenant to respond to new visions the Lord gives us, enabling us to be ready for anything he calls us to do.

Currently, we are a self-supported department; the strength of a denominational vision depends on the number of our partners. Will you prayerfully consider how you might partner with us? Your financial support is deeply appreciated! It supplies the needs of the Department of Women Ministries and “overflows in many expressions of thanks to God.”

May God bless your generosity!

In Him,
