

A Personal Commitment to GROWth. A small group curriculum to help Christians grow. Contains six small group sessions that will take participants slowly through the GROW components. The first session answers the question "Why do we need to grow?" The next four sessions examine each of the four GROW components, and the final session covers our continuing journey. There is also a six month reunion session. To obtain copies of this curriculum contact the Covenant Resource Center at 800-332-4332. (G, R, O, W)
