To give towards any of the projects or needs listed in this catalog, please make out your check to the *Paul Carlson Partnership* and enclose with it a note indicating your area of interest: Health, Poverty, or Education. We will honor that designation. You may also specify a particular item or project, and we will honor that choice if the item is not yet funded. If the item has already been fully funded, we will apply your gift towards the next most urgent priority within the area you've designated. You may also leave your gift undesignated, and we will use it where it is needed most. Please send your gift to the address below.

For more information about the Paul Carlson Partnership and its work, see our website at www.paulcarlson.org or e-mail to paulcarlson@covchurch.org.
