SHARE YOUR IDEAS! This is your opportunity to share ministry ideas that are making a difference in the lives of individuals within and around your church. It may not seem like an earth-shattering idea to you, but it may be just what is needed by someone else to spark another possibility for ministry.

We are **compiling program overviews** within a variety of ministry areas. Longer overviews will be on file in the Covenant Resource Center for interested churches. A brief synopsis will be provided on the Covenant Resource Center web site. Content will be updated quarterly and archived for easy reference. Ministry areas include (but are not limited to) the following:

- Prayer
- Evangelism
- Mission education
- Service opportunities
- Community outreach
- Communication methods
- Ministries for children, youth, adults and families
- Intergenerational opportunities
- Welcome of newcomers
- Assimilation of new members
- Stewardship education
- Opportunities for women's groups
- Small group ministries
- Marriage enrichment

Describe the following aspects of your program:

- *Goals* -- What did you hope to accomplish?
- *What Happened?* -- A brief description of how the program works
- *Logistical data* --Special information that would help others considering this type of program (e.g., number of staff needed, etc.)
- *Special things to consider* -- What has been learned through experience that has made the program more effective?
- *Are you willing to respond to questions?* (Only your church and location will be identified on the web site; but it will be helpful to have the name of a contact person, should additional questions arise.)
